

REMARKS

Applicant has taken the claims, submitted on March 9, 2005, and combined Claims 1, 3, 4 and 9 into Claim 1. Claim 9 has been indicated as allowable and was dependent on Claim 4, which was dependent on Claim 3, which was in turn dependent on Claim 1. Since currently amended Claim 1 includes all of the limitations of Claims 1, 3, 4 and 9, it is in condition for allowance.

The remainder of the claims have been cancelled or made dependent from appropriate previous claims.

Applicant respectfully submits that these changes are solely to achieve a patent grant for business reasons, but applicant does not accept the examiner's interpretation of the prior art. A continuing application is anticipated.

A copy of the Notice of Non-Compliant Amendment is enclosed.

The Commissioner is authorized to charge any deficiency or credit any overpayment to Deposit Account 07-1900.

Respectfully submitted,  
JENSEN & PUNTIGAM, P.S.
